Public Rooms:

One of the smallest and most intimate ships in the fleet, the historical *Delta Queen* features authentic teak handrails, gleaming brass and Tiffany-style stained glass throughout the many quaint, but spacious public areas onboard, which include:

- Orleans Room
- Engine Room Viewing
- Forward Cabin Lounge
- Betty Blake Library
- Texas Lounge

Accommodations:

Built in 1926 and sailing the waters of America for the first time in 1927, the *Delta Queen* is registered as a National Historic Landmark and is the last operational steam powered sternwheeler that traveled America's rivers in the early days. The ship's staterooms feature a simple elegance and intimate atmosphere with amenities that include:

- Individual climate control
- Large mirrors
- Ample storage space
- Wall-to-wall carpet
- Private bathroom and shower
